

January 11, 2018 Trip

Although the weather may not be ideal, we have decided to go ahead with tomorrow's trip.

- Be sure to bring all ski equipment/snow gear to with you or have someone bring it to you after school tomorrow. **This includes your ski pass!** Your stuff can either be kept in your car (if you are a student driver) or placed in the corner of a teacher's classroom.
- We will meet as a group in the high school lobby **at 2:50 pm**, with the bus departing from the school **at 3:00 pm**.
- The weather is forecasted to be warm, with a slight chance of a stray rain shower. Something such as a water-resistant windbreaker or other small jacket will fine in these mild temperatures and keep you dry.
- Even though it will be warm, make sure to pack a hat and gloves.
- Once we arrive and find a table to leave all our extra gear on, you will be allowed to go have your lift ticket printed and head down to the rental shop.
- From there you will have the option of heading straight to the slopes or taking the first timers lesson that we would highly recommend. This lesson is less than an hour long and will help give you the basics you need to have a great time skiing or snowboarding.
- Perfect North does allow outside food and drink in the lodge; however, there are many food options available in the lodge itself. A normal meal will range from \$8 to \$10.
- At the end of the night, we will meet back at the established table **at 9:15 pm**. From there we will load the bus and travel home.
- When we are 20 min away from the school, a remind will be sent out notifying parents and students and allowing non-driving students to arrange for their pickup.
- We will arrive back at WHS around **10:30 pm**, where everyone will be released to their cars or parent by a chaperone who will be present until every member is on their way.

We look forward to getting back on the slopes for the 2018 season, and will send any updates as text messages if necessary.
