## FAQ's

Question: What if I just want to go tubing?

Answer: Select one of the tubing only passes, note that the bronze pass is only valid Mon-Thurs so if you would like to go with your family on a weekend, you may want to consider the gold tubing pass. While tubing is a great time, we encourage everyone to try skiing or snowboarding, and recommend getting a pass that includes both.

Question: Can I try skiing, snowboarding, and tubing?

Answer: Yes! Just make sure that you buy the rental package on any pass option that is not tubing only.

Question: Are lessons available?

Answer: Yes, complementary lessons are free with your lift ticket, however; if you desire a more private, in-depth lesson they are available for purchase.

Question: Is food available? Can I pack a meal and take it in?

Answer: Yes, a full concession stand is available with plenty of great food choices. You are also more than welcome to pack a meal. We will establish a meeting location in the lodge where extra equipment, food, and other supplies will be safe and supervised.

Question: Are parent chaperones needed to help?

Answer: We are still working out what our policies will be when it comes to chaperones, but if you are at all interested please contact me at [danielpapanek@woh.rr.com](mailto:danielpapanek@woh.rr.com).
